

UNIVERSITY ADMIT ELIGIBILITY PREDICTOR

TEAM LEAD : S.Sneha

TEAM MEMBERS : 1) Avanthika.G

2) Vijayalakshmi.S

3) Prashanth.S

The screenshot shows a web browser window with multiple tabs. The active tab is titled "IBM Cloud Account Creation Portal" and displays the login page for the IBM Cloud Account Creation Portal. The page features the IBM logo at the top, followed by the heading "Login Using Platform Credentials". Below this, there are two input fields: the first for the email address, which contains "pangamithrag27@gmail.com", and the second for the password, which is masked with "*****". A blue "Login" button is positioned below the password field. A note at the bottom of the login section states: "Note: Please email us at career.education@ibm.com to get assistance if you face any issues while logging into your account." The footer of the page indicates "Copyright © 2022 SmartInternz". The browser's address bar shows the URL "sso.smartinternz.com/simplesaml/module.php/core/loginuserpass.php?AuthState=-_8170680448dce333f857fbf298d975638e3a975f2%3Ahttps%3A%2F%2Fsso.smartinternz.com%2Fsimplesaml%2...". The Windows taskbar at the bottom shows the system clock as 4:09 PM on a day with rain.
